In accordance with the provisions of articles 2.10.002 and 2.10.008 of the UCI Regulations, the points awarded by the race for the “Individual UCI World Ranking” are as follows:

### Final General Classification

To the first 60 riders of the final general classification, respectively:  
 1100 – 885 – 750 – 600 – 495 – 415 – 340 – 285 – 235 – 180 – 155 – 130 – 110 – 90 – 80 – 75 – 70 – 60 – 55 – 50 (from the 20<sup>th</sup> to the 25<sup>th</sup>) – 30 (from the 26<sup>th</sup> to the 30<sup>th</sup>) – 25 (from the 31<sup>st</sup> to the 40<sup>th</sup>) – 20 (from the 41<sup>st</sup> to the 50<sup>th</sup>) – 15 (from the 51<sup>st</sup> to the 55<sup>th</sup>) – 10 points (from the 56<sup>th</sup> to the 60<sup>th</sup>).

### Stage Classification

To the first 15 riders of each stage, respectively:  
 180 – 130 – 95 – 80 – 60 – 45 – 40 – 35 – 30 – 25 – 20 – 15 – 10 – 5 – 2 points.

### Individual General Classification Leader of each stage

20 points.

### **Final Points and Mountains Classification**

To the first 3 best-placed riders, respectively: 180 – 130 – 95 points.

The Racebook of the 108<sup>th</sup> Giro d'Italia details each stage, timetables, start and finish sites, coordinates of the mandatory passing points (PPO), itinerary tables with distances, together with the relevant stage route maps and profiles, with a detailed description of the race route and of the final kilometres of each stage.

The Giro Director, subject to prior notification to the Chief Commissaire, can change the timetables and/or itineraries, if need be, giving prior notice to the interested parties.

### **ART.2 ENROLMENT**

- A)** After confirming their participation, the invited Teams shall submit the list of participants within Friday, April 18, 2025, in accordance with the provisions of article 1.2.049 of the UCI Regulations. In any case, the Organizer, to the purpose of safeguarding the image and reputation of cycling in general or its own race, reserves the right to reject, up to the start time, the Riders or the Teams which, by their acts or statements would prove to neglect the principles of sport fair play and the undertaken commitments as set forth in article 1.1.023 of the UCI Regulations. Furthermore, in the event the Riders or the Team would fail during the race in complying with the principles set out in the foregoing paragraph, the Organizer shall also reserve the right to expel them from the race at any time, in compliance with the provisions set out in article 2.2.010 bis of the UCI Regulations
- B)** By and no later than 10:00 am of Tuesday, May 6, 2025 each Team shall notify, via e-mail, the final list of the eight titular riders, plus two substitutes, so as to allow the completion of the "suivi médical" on the following day.

License check will take place on Thursday, May 8, 2025 from 9.00 to 9:45 am, followed at 10:00 am by the Technical Briefing of the Giro Management with the Commissaires' Panel, the UCI Technical Delegate and the Sport Directors on the premises of PALLATI I KONGRESEVE, BULEVARDI DESHMORET e KOMBIT – TIRANA, in compliance with the provisions set out in articles 1.2.087–88/2.2.093 of the UCI Regulations.

- C)** The "Race security briefing", to be attended by all persons who will be driving a car or a motorcycle in the race convoy, including a representative of the television production and a representative of the Police, will follow at 11:30 am (in compliance with article 2.2.034 bis of the UCI Regulations).

### **ART.3 ORGANIZING MANAGEMENT AND COMMISSAIRES' PANEL**

The Giro Director is in charge of the general management of the event with the cooperation of the Vice-Directors, the Safety Manager, the Route Inspectors, the Regulators and of the members of the Organization he personally appointed.

The Chief Commissaire, in cooperation with the members appointed by the UCI and by the FCI (Italian Cycling Federation), ensures the management and sporting control of the race. Furthermore, pursuant to art. 2.2.022 bis of the UCI Regulation, he/she will be granted support by Commissaires specialising in equipment control and by the TV Support Commissaire.

The motorcycle Commissaires and the finish Judge act according to the duty assigned to them by the Chief Commissaire. They are appointed by the CNGG/FCI.

The classifications and the Commissaires' decisions shall be conveyed to the Giro Management for communication to the Sport Directors and to the accredited press by means of "daily communiqués" and on the dedicated online platform.

In case of exceptional circumstances susceptible to endanger the safety or to distort the normal course and therefore the relevant technical result of the race, the Giro Director, in common consent with the Chief Commissaire, can at any moment decide (art. 2.2.029 of the UCI Regulations):

- A)** to modify the route of a stage;
- B)** to temporarily neutralize the stage;
- C)** to stop the stage and give a new start;
- D)** to definitively stop the stage;
- E)** to declare the stage null and void. Consequently, after consulting the Giro Director, the Chief Commissaire may enforce the following sporting decisions:
- F)** to cancel or keep the gaps recorded in the event the stage was neutralised or stopped, taking into account the gaps recorded at the time the accident happened;
- G)** to cancel or keep the results recorded concerning the Intermediate Sprints and Categorised Climbs;
- H)** to consider the stage as not raced.

The Giro Director might summon the representatives for the "Protocol for discussions regarding extreme weather and the riders' safety during events", in compliance with UCI article 2.2.029 bis. In such a situation, decisions can be taken and/or confirmed on the morning of the stage (see the "Extreme Weather Protocol". Annex B and C of the UCI Regulations, Part II).

#### **ART.4 GENERAL PROVISIONS**

The subjects listed hereunder are bound to comply with the present regulations, and – for all that is not regulated under the present ruling – with the current regulations issued by the International Cycling Federation:

- the racing Riders;
- the Sport Directors and the Teams staff;
- all the Giro's followers duly accredited by the Organizer in a recognized and acknowledged official position.

#### **ART.5 RIGHTS AND DUTIES OF RIDERS**

All the enrolled Riders have the right, in compliance with the regulation in force, to compete in all the classifications included in the race program: *i.e.* stage classifications, general and special classifications, They are consequently required to maintain a responsible race behaviour and to refrain from promoting or supporting any mass demonstration susceptible to assume the character of fraudulent agreements prejudicing other competitors, or to appear as a protest against the Organizer or the Commissaires' Panel or other official followers whatsoever.

Moreover, the enrolled riders are bound to the following:

- A)** to carry a frame number and wear two body numbers duly provided by the Organization. These numbers may not be altered (UCI art. 1.3.076/077). During time trial stages, only one identification number will be required;
- B)** in all the stages, including the individual time trial stages, to carry a transponder supplied by the Organization and to be affixed on the bicycle frame, for the automatic reading of their passage position on the finish line and in some other sections determined by the Organization. However, the photo finish with time-recording band at the finish will be the reference for the finish order. Failure in complying with such obligation shall be considered as an infringement equivalent to the absence of body number and consequently punished in accordance with article 2.12.007 point 3.5.02 and/or 3.5.03 of the UCI Regulations
- C)** to wear the jersey of their team as well as – should it be the case – the World, Continental and National Champion jerseys;
- D)** to wear the Maglia Rosa, the Maglia Ciclamino, the Maglia Azzurra, and the Maglia Bianca, all of them duly provided by

the Organizer, as Leaders of the General classification, of the Points classification, of the Best Climber classification and of the Best Young classification, respectively. This order sets the priority between the different Leader's distinctive jerseys. If a rider is leading more than one classification, he will wear the distinctive jersey having a priority in the above-mentioned order. The remaining jerseys will be worn, at an honorific title, by the next following riders in the ranking of the respective classifications, provided that they are not already leading a different classification (UCI art. 2.6.018).

The jersey-holder is required to wear his distinctive garment from the sign-on procedure time up to the awards ceremony and during any press conference

- E)** to refrain from answering interviews during the race;
- F)** to quickly clear the road for motorcycles and vehicles authorized to overtake the group;
- G)** in case of dropout, on request of the rider and his Sport Director, authorization may be granted by UCI to take part in another cycling event during the same period, after obtaining the agreement of the Giro Director and the chief commissaire (UCI art. 2.6.026);
- H)** to refrain – after having crossed the finish line – from crossing the line a second time while still wearing their body number and carrying the transponder (UCI article 2.12.007 point 1.6);
- I)** the Maglia Rosa holder and the Stage winner shall show up at the pressroom in order to attend a press conference with the accredited journalists for a maximum of 20 minutes (UCI art. 2.2.082);
- J)** when convened by the Chaperons, the riders are to go to the premises indicated by the Organization for undergoing the anti-doping tests in compliance with the provisions set out in the UCI Regulations, part 14.

## **ART.6**

### **RIGHTS AND DUTIES OF THE TEAMS**

The Teams are represented by their Sport Directors. They have two cars at their disposal to follow the race, and other service vehicles that are not authorized to slip into the official race convoy.

At the time of the accreditation procedures, the Sport Director shall provide the list of the official components of the Team staff for which he is responsible. The accreditation will be acknowledged to the bearers of an identification card issued by their national Federation and indicating their UCI ID and status.

Moreover, Sport Directors are required:

- A)** non to overtake the peloton if not authorized to do so by a Commissaire or by the Race Management;
- B)** not to reach the head of the peloton to give assistance to one of their riders in case of puncture or mechanical incident, but to wait for the rider at the tail-end of the peloton;
- C)** not to overtake the peloton in the last ten kilometres of the race and to never draw up level with any Rider, in time trial stages, save in the case of an accident which forces the Rider to dismount;
- D)** to observe the established vehicles running order by driving up in a column on the right side of the road;
- E)** to strictly obey the "Norms of Behaviour" set in the Traffic Code rules established by the Italian Legislation, in case article 2.3.017 of the UCI Regulations is applied for technical-sporting reasons;
- F)** not to give any broadcast interview during the last ten kilometres of the race (UCI art. 2.2.069);
- G)** to clearly identify the people behind the finish line area, in charge with the assistance to the Riders and with the arrangement of those due to attend the awards ceremony;

**H)** be informed of, comply with, and ensure compliance by all the team members with the provisions contained in the official race communiqués that the Direction sends out to all the team managers, as these are an integral part of the present Regulation.

#### **ART.7 IDENTIFICATION BADGES AND FOLLOWING VEHICLES**

While filing for accreditation in order to follow the race, the owner of the relevant vehicle shall present a list of the persons due to be on board of the same, declaring their mansions, and shall also undersign a commitment form listing the accreditation general provisions to which accredited subject shall comply with. Every change occurring during the Giro shall be notified to the Giro Director and approved by the latter.

The person responsible for the vehicle will be provided with adhesive identification badges to be visibly placed on the front and rear part of the same.

Children between the ages of 12 and 17 may be allowed to follow the race, under the responsibility of one of their parents, and subject to authorisation by the Race Director, or by the Director of the Organisation, to the vehicle driver.

Children under the age of 12 are not allowed on board of a car in the race.

In the event of theft of the identification badge(s), the owner of the vehicle is required to denounce the fact to the Giro Director as well as to the Captain of the Traffic Police that is following the Giro.

All vehicles following the race shall circulate in accordance with the provisions set forth in the "Guidelines for vehicle circulation in the race convoy" (issued by the UCI).

Only cars guided by drivers possessing a license with an ID, and who have attended the "Race security briefing" are authorized to follow the race. Buses, trucks, vans and other vehicles taller than 1.66 m. are considered as "out of the race" service vehicles and are not allowed to

follow the race (art. 2.2.032/032 bis of the UCI Regulations).

Any kind of over-structure placed on the roof or on the sides of the vehicle (advertising panels, luggage, and so forth) is strictly forbidden.

All the accredited vehicles shall be equipped with radio receivers on the FM frequency of 149.850 MHZ for the broadcast of race information.

Drivers of accredited vehicles shall comply not only with the enforced rules of the Traffic Code, but also with the provisions issued by the Giro Director.

The Giro Management reserves the right to withdraw the official badges, either temporarily or permanently, also upon request of the Commissaires' Panel.

The Traffic Police Agents escorting the Giro shall supervise the enforcement of the decisions taken by the Giro Director and are also in charge with the traffic regulation during the race.

#### **ART.8 MEDICAL SERVICE**

The Medical Service appointed by the Giro Director, is formed by an adequate number of Doctors and Paramedics; the service is operative during the race and available before the start and after the crossing of the finish line. If need be, Doctors are the sole persons responsible for transporting riders to the hospitals listed in the Technical Guide for each stage.

Moreover, at the end of each stage, a medical squad with an ambulance and a mobile X-ray unit will be available on the premises of the Team Bus Parking.

#### **ART.9 TECHNICAL ASSISTANCE**

Technical assistance is provided for by three vehicles of the SHIMANO company, duly supplied with spare wheels and bicycles available in various sizes.

Moreover, in the mountain stages, on climbs or in segments with remarkable difficulties, one motorcycle of the SHIMANO company will service the riders.

## ART.10

### PRE-STAGE OPERATIONS

The start gathering of each stage will take place on the site mentioned in the Technical Guide. As far as road stages are concerned, the presence of the Riders at the Podium for the signature of the starting sheet is mandatory, and teams shall be required to turn up, all riders together, according to a given order that will be communicated every day (UCI art. 2.3.009). The assembly point for the peloton's transfer to the actual start will be set near that same area.

## ART.11

### SIGNPOSTING

The Organizer, in the person of the Safety Manager, Stefano Allocchio, shall place and manage the necessary signposts and marshalling points along the race route. For each stage, detailed information about safety and about the roads situation will be provided in the daily Race Communiqués. The Organizer is in no way liable for route misinformation of the Riders due to violation or removal of the road signposts.

## ART.12

### FEEDING

Riders might be supplied with refreshments directly from the vehicles of their own Team, or from personnel standing at the roadside (articles 2.3.025/025 bis/27 of the UCI Regulations). Exemptions could be granted in the presence of special circumstances and shall be regulated and announced by the Commissaires' Panel through radio-tour. Fixed zones for 'static' (on foot) feeding, preceded and followed by just as many collection areas, referred to as 'Aree Verdi / Litter zones', will be set up along the route every 30/40 kilometres in accordance with the stage features. Such areas will be clearly signposted, and listed in the itinerary tables. The Organizer reserves the right to communicate any special provisions concerning the support cars that should reach the finish.

## ART.13

### LEVEL CROSSINGS

Going through closed – or closing – level crossings indicated in the Technical Guide and along the route by signposts reading "500m. P.L." (level crossing in 500 m), is strictly forbidden. Riders who should infringe such rule, besides incurring in the provisions of the law (violation of the Traffic Code) will be expelled from the race or from the finish standing by the Commissaires' Panel which will handle the situation – after obtaining the agreement of the Organizing Director – according to the provisions set out in articles 2.3.034 and 2.3.035 of the UCI Regulations.

## ART.14

### SPRINT ZONES – PROTOCOL FOR STAGES EXPECTED TO FINISH IN BUNCH SPRINTS

The following table specifies both when art. 2.6.027 of the UCI Regulations "Incidents in the last 3 kilometres of a road race stage" shall apply (including any distance extensions), and when time splits will be calculated by 3-second gaps according to the "Protocol for stages expected to finish in bunch sprints".

For all that is not regulated under this ruling, the irrevocable decision taken by the Commissaires' Panel in consultation with the Organization Management shall apply.

## ART.15

### TIME TRIAL STAGES

#### General Provisions

The Riders shall use bicycles complying with the parameters and measures set up by the UCI Regulations.

On the start line, the riders will be held by personnel appointed by the Race Direction. Each rider will be escorted by one car.

The vehicle shall follow at least 25 meters behind the rider and shall never draw up level with him. (art. 2.4.017, 2.4.018, 2.4.019, 2.4.023).

#### Individual Time Trials

- Tirana - Tirana (stage 2)
- Lucca - Pisa (stage 10)

The riders will start in reverse order of the general individual classification by time of the previous stage. The last rider to take the start will be the Maglia Rosa. In the case that two or more riders belonging to the same team should result in consecutive starting order, the Commissaries' Panel could change that order by inserting competitors from other teams who are immediately preceding or following them in the general classification (article 2.6.023 of the UCI Regulations).

Riders shall set off at identical intervals of 1' to 3'. The Director of the Giro, by common consent with the Chief Commissaire, is empowered to adopt different intervals as far as the last 15 riders to set off are concerned.

## ART.16

### TIME BONOUSES

The time bonuses mentioned in this article are valid to the sole purpose of the general individual classification (art. 2.6.019 of the UCI Regulations).

At each massed-start stage finish, the winner will receive a 10" time bonus, the second a 6" time bonus and the third a 4" time bonus.

At each "Red Bull km" sprint, one for each stage, the winner will receive a 6" time bonus, the second a 4" time bonus and the third a 2" time bonus.

A special individual classification by points will be drawn up for the "Red Bull km" sprint, awarding 15, 8, 5, 3 and 1 points to the first five best-placed riders, respectively.

The winner of each daily "Red Bull km" sprint shall wear the blue number in the following stage, with the exception of ITTs.

| Stage | DATE    | RED BULL KM                |
|-------|---------|----------------------------|
| 1     | 09-May  | Sauk                       |

22% if the average speed is over 34 km/h;

- **for the "e" category**, the winner's time plus 30%.

According to article 2.6.032 of the UCI Regulations, under exceptional circumstances, confirmed accidents or incidents, the Commissaires Panel, after consultation with the Organization Director, may readmit in the race any Rider finishing in a time exceeding the time limit, by increasing the latter by a maximum of 25% of the time set forth in this article, after cancelling all the points the Rider has earned in each and every classification.

The time limit established, based on the winner's time expressed in minute seconds, shall be further rounded off to the successive superior minute.

#### **ART.19**

##### **TIMEKEEPING**

The EMG ITALY Time Keeping Service, in cooperation with the finish Judge will record the official race time for each Rider and for each classification.

Recorded time will be assigned to each rider, rounded down to the lower second.

In the event, for any reason whatsoever, it would not be possible to record the time of a rider, then the timekeepers and the finish Judge shall have the right to assign estimated times:

- A)** by assigning an intermediate time between the preceding Rider and the following one;

**B)** in case of crash, puncture or mechanical incident, as mentioned in article 14 of these Regulations.

According to the provisions of art. 2.4.016 of the UCI Regulations, in time trial stages, times shall be taken to a hundredth of a second.

## **ART.20 CLASSIFICATIONS**

Riders and Teams standings are determined according to two kind of classifications: by time and by points; even if not specified, each of them is compliant with the sporting criteria set forth by the UCI Regulations.

### **Classifications by time**

General individual classification shall be calculated based on the sum of the times attributed to each rider, having considered the time allowances set forth in article 16 above and the possible penalties, if any. (UCI art. 2.6.014).

In the event of a draw in the general classification, the first discriminating criterion shall be the hundreds recorded in the individual time trial stages, the second one the lower sum of the placing obtained in each stage. If the result is still tied, then the place obtained in the last stage shall be taken into consideration (UCI art. 2.6.015).

The Young individual classification by time will be reserved to Riders born since January 1<sup>st</sup>, 2000.

The team classification of each stage shall be calculated based on the sum of the three best times obtained by the Riders of each team.

If the result is tied, reference shall be made to the lower sum of the ranking of the three first Riders of each team upon the stage finish. If the result is still tied, then reference shall be made to the best placement of the teams' best rider in the stage classification. General final classification is established by adding the times recorded by the Riders of each team in the event of a draw, the

discriminating factor shall be the number of first places in the daily team classifications. In case of a further tie, reference shall be made to the number of second places in the daily team classifications, and so forth. If the result is still tied, the teams shall be separated by the ranking of their best rider in the general individual classification. (UCI art. 2.6.016)

Any team reduced to fewer than three riders shall be excluded from the general team classification.

### **Classifications by points**

Classifications by points are obtained based on relevant results.

For the final General Individual Classification by Points: in the event of a tie, the discriminating criterion shall be the number of stage victories. If there is still a draw, reference shall be made by the number of victories in intermediate sprints.

If there is a further draw, reference shall be made to the general individual classification by time (UCI art. 2.6.017).

Final classifications will only include the riders who have completed the 108<sup>th</sup> Giro d'Italia.

### **General Classification by points – “Maglia Ciclamino”**

#### **ART.21**

##### **RED NUMBER FOR FIGHTING SPIRIT**

In each road stage, one rider will be chosen for showing the greatest "Fighting Spirit", among three selected riders. Said rider shall wear the red number in the following stage, with the exception of ITTs.

#### **ART.22**

##### **INFRINGEMENTS AND SANCTIONS**

Infringements assessed during the Giro d'Italia will only be sanctioned according to the scale of penalties referred to in the UCI Regulations, and as outlined in the respective sanctions table under UCI article 2.12.007.

According to the provisions of UCI art. 12.4.001 and thereafter, the UCI Disciplinary Commission can deliver a decision and take measures.

#### **ART.23**

##### **DISCIPLINE AND PROCEDURES**

Chapter 2 of Part 12, Discipline and Procedures, of the UCI Regulations regulates consequently what is set forth in technical-disciplinary circumstances.

#### **ART.24**

##### **ANTI-DOPING CONTROL**

Anti-doping control will be performed at the Doping Control Station (DCS) located in the finish area after each stage. The designated Doping Control Officer (DCO) charged by the ITA and acting on behalf of the UCI will enforce the procedures and the instructions in accordance with the UCI-ADR-TIR Regulations (Part 14 of the UCI Regulations).

#### **ART.25**

##### **AWARDS CEREMONY**

Upon finishing every stage and at the gathering at the start, when provided for, the winners are required to attend on a priority base the prize-giving ceremony, which will take place in compliance with the applicable regulations for "permitted activities".

The stage winner and the "Official Jerseys" holders in their quality of leaders of the classifications shall go to the podium immediately after crossing the finish line, for the official awards ceremony (art. 2.6.018 bis of the UCI Regulations).

The winners shall attend the ceremony in their race uniform, without wearing inadequate clothes or gears, and shall behave properly (art. 2.12.007, point 1.4 of the UCI Regulations).

All winners who would refuse to attend the awards ceremony, save in case of substantiated *force majeure* events, will have their prizes confiscated and both the riders and their Sport Directors will be subject to sanctions (art. 2.12.007, point 1.3 of the UCI Regulations).

#### **ART.26**

##### **APPLICABLE GENERAL PROVISIONS**

## H – BREAKAWAY PRIZE

This prize shall be awarded to the rider who, in each road stage and all along the Giro d'Italia, will feature with special courage and tenacity the breakaway technical gesture.

To the purposes of the official rankings, the “breakaway” shall mean an attack – solo or in a group including no more than ten (10) riders – covering a route of no less than five (5) kilometres.

The stage classification will be drawn up based on the breakaway kilometres established according to the provisions set out in the above paragraph. Proof shall be given by Radio Tour and certified in the official communiqués.

In case of a tie, the winner of the “Breakaway Prize” shall be the rider who, totalizing an equal

breakaway kilometres number, shall have obtained the best ranking in the official finish order.

The general classification shall be based on the sum of the breakaway kilometres totalized by each rider in the Giro d'Italia.

The rider who has accrued the highest number of breakaway kilometres will be the leader of the classification.

Each stage winner will receive a prize of € 200.
